**All talks are off-record**

The 16th Annual San Diego Glycobiology Symposium is generously supported by the sponsors listed on the back folio. We would also like to acknowledge support from the National Institutes of Health grants HL57345 & HL107150 as well as the UCSD Glycotechnology Core Resource [http://glycotech.ucsd.edu](http://glycotech.ucsd.edu)
**Next Generation Seminar Series (NextGen)**

New to SDGS in 2013, NextGen provides a mechanism for students and fellows with interest in the glycosciences to discuss their current research in a highly stimulating, non-intimidating environment. The model is based on the Gordon Research Seminar Series.

**The NextGen Seminar Series is generously supported by National Institutes of Health, Program of Excellence in Glycobiology HL107150 Education Core**
