RESEARCH OPPORTUNITIES for Postmenopausal Women

Dr. Dorothy Sears, Dr. Jacqueline Kerr, and their associates at UC San Diego are currently conducting a research study on sedentary behavior.

ARE YOU??
◊ A woman age 55+?
◊ Postmenopausal?
◊ Interested in research?

DO YOU??
◊ Spend a lot of time each day sitting down?

STUDY DETAILS:
◊ Sitting: If you are eligible, you will participate in 4 study visits of 7hr each. At each visit, you will sit in a comfortable chair for 6hr during which you will intermittently stand up for brief periods of time.
◊ 1 screening visit and 4 study visits to be completed within approximately 5-6wk

Participants have the option to enroll in a research study after screening if they qualify. Compensation will be provided to participants who complete the screening and who enroll in the research study after screening.
