Case presentations and current literature will be presented.

---

**COURSE DESCRIPTION AND OBJECTIVES STATEMENT:** The weekly CME courses have been designed to provide continuing medical education to the Orthopaedic Surgery Residents, Fellows, Attending Faculty, Associate Staff and participating Community Physicians. Objectives of presenting the case-based lectures are to introduce topics specific to issues of orthopaedic surgery and research. The lectures range from research to clinic and surgery-based topics covering spine, sports medicine, hand and elbow, hip and knee, foot and ankle, trauma, pediatric orthopaedics, and oncology as it related to orthopaedics.

**ACCREDITATION STATEMENT:** The University of California, San Diego, School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians. The University of California, San Diego School of Medicine designates this educational activity for one credit per hour of Category I credit toward the AMA Physician’s Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity. Distributed by the UCSD Department of Orthopaedics Business Office, Contact: (619) 543-7247.*
